Prospect Park Living Center

Welcome!

This is your invitation to become familiar with the many services Prospect Park Living Center has to offer.

Prospect Park Living Center is a skilled nursing facility adjacent to Estes Park Medical Center, situated in a beautiful mountain setting.

Skilled professional staff work with you and your loved one to give you peace of mind by providing **CARE WITH DIGNITY**. We consider patients to be residents rather than patients because of our home-like setting.

We serve our residents with 24-hour intermediate and skilled healthcare needs.

Services Include:

- Private & semi private rooms
- Resident centered care
- Physical, Occupational, and Speech therapy
- Resident activities and outings
- Medicare and Medicaid Certified
- Hospice and Respite Care
- Restorative Program
- Well-balanced meals and snacks
- Family and community resources
- Dietary and nutritional consults
- Family and team conferences
- Transportation locally to and from appointments
- Special dinners for families and residents
- Registered nursing care 24-hours day
